Introduction and welcome

Welcome to my latest Update.

Today's edition includes:

- New contractors for household waste recycling services.
- North Northamptonshire Council reaches finals of prestigious MJ Awards 2025.
- Easter activities for children.
- North Northamptonshire's first members of the Youth Parliament appointed.
- North Northamptonshire Family Hubs welcome Strong Start for Life services.

In addition, you will find below some useful information about forthcoming meetings, Your Voice Matters (our consultation and engagement hub), all the latest press releases and our top social media posts.

Whatever your plans are, I hope you have a great weekend!

New contractors for household waste recycling services

Biffa Waste Services and HW Martin Waste Ltd have been confirmed as the contractors for recycling services across North Northamptonshire, following a year-long procurement process.

The previous arrangements had been inherited from the previous county council with contracts ending on 31 March 2025.

HW Martin Waste Ltd is now responsible for the operation and management of the formerly council-run Household Waste Recycling Centres in Corby, Kettering, Rushden and Wellingborough.

Biffa Waste Services has been awarded the contract for providing residual (non-recyclable) waste treatment and disposal services.

The council went through a full and thorough procurement process to ensure that the new service met the needs of the council, provided value for money and allowed for a consistent service across the local area.

It also allows for flexibility for future improvements and adaptations as the council moves forward.

North Northamptonshire Council reaches finals of prestigious MJ Achievement Awards 2025

North Northamptonshire Council has reached the final of the nationally recognised [MJ Achievement Awards 2025](#), with three nominations across key categories.

- Irchester Field School - Finalist for the Innovation in Public Private Partnerships Award.
- Hi-Street initiative - Finalist for the Community Engagement Award.
- Project Manager for Adults, Health Partnerships, and Housing - Finalist for the Rising Star Award.

The MJ Awards 2025 celebrate outstanding achievements in local government.

The winners of the MJ Achievement Awards 2025 will be announced at an award ceremony in London on Friday 20 June.

North Northamptonshire's first members of the Youth Parliament appointed

North Northamptonshire has concluded its Youth Parliament election and has now appointed two Members of Youth Parliament (MYPs) to represent its young people.

Alfie Richards, 16, and Ivanna Obi, 15, received the highest number of nominations from over 1,000 votes from young people across North Northamptonshire. This marks an historic appointment for the local authority, as they will be the first Members of Youth Parliament to have been elected to represent the constituency.

As part of their manifestos, candidates were asked to highlight a local, national, and global issue affecting them and provide plans to address the issues.

Alfie's manifesto focused on safety and protection, as a local issue, education, as a national issue, and the dangerous impact of social media, as a global issue.

Ivanna's manifesto focused on amplifying young people's involvement locally, at all levels, education on a national level and the impact of people being put under pressure on a global scale.

The two new MYPs will be granted seats on North Northamptonshire's Youth Advisory Council, which was formed in January of this year, and will be invited to sit in Parliament at key periods during their terms as MYPs.

Other key activities will include campaigning locally, regionally and nationally throughout the year, delivering sessions with schools and in the community to engage young people with the democratic process.

North Northamptonshire Family Hubs welcome Strong Start for Life services

Families across North Northamptonshire will benefit as the early years universal service, Strong Start for Life, is delivered from North Northamptonshire Family Hubs bases.

Aligning with the recommissioned public health services for children, young people and families, the former countywide service will be delivered as two separate contracts, for North Northamptonshire and West Northamptonshire Councils, ensuring families receive services as close to home as possible.

Formerly known as Strong Start, the North-based team will transition from the West Northamptonshire Council Libraries Service to the North Northamptonshire Family Hubs Service as the Strong Start for Life Team. This new team, forms part of the Family Hubs offer for under 5s and will ensure that families receive comprehensive support, from pregnancy through to young adulthood, in a single, accessible location.

The Strong Start for Life Team will continue to be funded and overseen by North Northamptonshire Public Health, maintaining its commitment to delivering key public health early years priorities.

Strong Start for Life sessions started this week and are bookable in advance on the Eventbrite event page: [Strong Start for Life North Northants](#).
